By registering to participate in the Fantasy Speedway game governed by these terms and conditions and the Game Rules (as defined below) ("the Game") you hereby agree to be bound by and to abide by the following terms and conditions.

Applications and Registration

1. All applications to participate in the Game must be made online on the BSI website at www.speedwaygp.com ("the Site") and strictly in accordance with the relevant instructions. No applications to enter made in any other manner will be accepted. Where your application is accepted, you will become known as a 'Player' in the terms below.
2. Entry into the Game is open to both UK and non-UK residents. Employees (and their immediate families) of BSI Speedway Limited ("BSI") are ineligible to win any prizes. If such person would otherwise win a prize, it shall be awarded to the next placed Player. The extra terms included herein will apply to under 18s playing the Game.
3. No purchase of any item or service is necessary in order to enter the Game and no payment is required from you to enter the Game. The sole consideration required from you is that you agree to be bound by these terms and conditions and by the Game Rules as defined below.
4. Entries must not be submitted by agents or third parties. No responsibility can be accepted for lost, delayed or incomplete entries or entries not received by BSI for any reason. Any such entries will be deemed void (concerning which the decision of BSI shall be final).
5. While there is no limit on the number of entries per household or organisation only one entry in respect of the Game per unique registered user of the Site is permitted (concerning which the decision of BSI shall be final).
6. While there is no closing date for entries, BSI will publish from time to time deadlines by which you must be registered as Players in order to qualify for points awarded in respect of any round of the Game. Any such information on how and when to enter for the Game forms part of these terms and conditions.
7. BSI reserves the right to suspend and delete entries that are deemed to be inappropriate or offensive. Depending on the seriousness of the situation, the user's account may be deleted in its entirety without notice. Any such decision to do so by BSI is final.
8. In the event that (other than in the circumstances at term 7 above) entry names are deemed unsuitable BSI may reject such names. In this instance, any names so rejected may be changed and notified to BSI within seven days. In the event that the alternative name proposed on behalf of any applicant to play the Game in such circumstances is again rejected at BSI's discretion the relevant applicant will be treated as being in breach of these terms and conditions.
9. Any personal information which you submit will be controlled in accordance with BSI's privacy policy and all UK legislation governing the same. For the avoidance of doubt, we will not disclose your personal information to any other Player unless a) this is restricted to those details in term 20 and 21 or b) if we are required to do so by a competent authority or court within the United Kingdom.
